88.3 **REPORTS**

88.3.1 **Planning and Development**

Ian reported that permission to take down some and prune other trees at The Vicarage had been granted.

Official permission to rebuild the wall at the Club was awaited before reconstruction began.

Norah asked about a large building going up behind Front Street and asked whether planning permission had been granted. Ian is to look into this.

*Action Ian Hollingsworth*

88.3.2 **Website**

Ian is still not receiving information about events to go on the website. It was thought the best source of general information would be Mike Dean, as he receives information on specific events from organisers. Ian is to liaise with Mike to ensure he gets this information.

*Action Ian and Mike*

88.3.3 **Newsletter**

There was general agreement that the latest newsletter was, again, very good. Thanks and congratulations go to Mike.

88.3.4 **History Group**

Sharon is gathering information for a meeting on Thursday 19 March.

88.3.5 **Parish Council**

David asked about the possibility of planting trees on Front Street to replace those felled over the years. This is to be raised with the Parish Council.

The rebuilding of Low Wells is coming to a conclusion; there only remains the cobbles to be finished.

Norah asked if anything had been done about the entrance to the maze. Nothing had been done but it will be raised with the Parish Council.

#### 88.3.6 **Neighbourhood Watch**

The AGM will be held in the Club on Monday 23 March.

#### 88.4 **FINANCE**

Julia reported the last quiz made £40 which, after raffle prizes and prize money, raised £24. Quizzes had raised £388 in 2014; thanks to Sharon for her efforts in organising the raffles. Calendars had raised £360. The quality of this year's calendars had been questioned so checks on alternative prices and quality will be investigated.
