94.1 **Minutes of previous meeting** were approved as a true record, proposed by David and seconded by Ian.

Sam expressed the best wishes of all of the Residents' Association to Eveline and Norah after Eveline's illness, with the hope for a speedy recovery.

94.2 **ACTION POINTS**

90.7 There had been 6 requests for a hard copy of the Local Services Directory.

91.3.3 There have been no requests from within the village for the old printer. If there are no responses to the note in the newsletter, then VANL could be approached and perhaps sell the unused supplies.

94.3 **REPORTS**

94.3.1 **Planning and Development**

Ian reported on 4 applications.

John and Sally Fox have made an application to move a planter and build a stone wall.

No decision has been made on the application for an extension at 1 Huteson Lane or for the stone wall rebuild at Riversmead.

A visit will be made by the Planning Committee to Gaunt, Front Street following the application for a horticultural building.

94.3.2 **Website**

Sel said details of the club committee and club matters should be kept up to date. However, he said club business was not shared with members but perhaps this could be done on the website.

94.3.3 **Newsletter**

Mike said the newsletter was ready to go to print but was awaiting toner supply for the printer so will be ready to go by the end of the week. Items for the next issue are welcome now.

There is a shortage of routes for horse riders and the local access group is investigating if any tracks can be accessed.

94.3.4 **History Group**

Sharon asked whether Sam would be available to do a talk on the Romans. He indicated this would be possible and a date would be discussed. At the last meeting it was decided not to continue to concentrate on WW1 and to commemorate 1918 and the end of the war in 2018, as the national emphasis had moved on to WW2 and the 70th anniversary of the end of the war.

94.3.5 **Parish Council**

Alan said the bench on Whitton Road had been replaced and the plaque will also be replaced.

94.3.6 **Neighbourhood Watch**

Mike reported that a man had been seen locally acting suspiciously who said he was a window cleaner. David reported that a villager had seen someone around the village looking for scrap.

94.4 **FINANCE**

The bank balance stands at £1047 less £147 for toner, petty cash at £36. The July quiz made £24. Kim has checked the books and everything is ok.

94.5 **CORRESPONDENCE RECEIVED**

None.

94.6 **SOCIAL EVENTS**

Quizzes

10 Sept Jayne - raffle Sam

8 Oct Paul - raffle Sharon

94.7 **ANY OTHER BUSINESS**

Norah said Jo is continuing to do the pensioners lunches but the Butchers Arms are not doing pensioners specials any more. They are waiting to see what happens. In the meantime, anyone interested in going on these monthly lunchtimes should speak to Jo.

Gavin had raised several issues with Julia but these are not issues which can be dealt with by the Residents' Association so he was to be advised to put his points to the Parish Council in writing.

It was decided to print 20 Local Services Directories initially. A price is to be sought from North Lincs Council in case we need to use their services for the printing.

Ian mentioned he had a new puppy, which had brought to his attention the 'no dog fouling' signs but a lack of bins. It was said that there are bins at the playing field, maze and chapel but they were not signed for doggie bags.

Humber Outlook is looking for a new editor if anyone is interested.
