15 September - tba

The cycle rides are well supported, 12 people joined in last Monday.

103.7 **ANY OTHER BUSINESS**

Sharon suggested new guidelines for entries to the photo competition to prohibit entries from mobile phones because of inferior quality. It was agreed to discuss and issue new rules beforehand. It was also agreed to hold the judging earlier, in order to make the calendars available sooner. The quality of this year's calendar was also discussed because it was not considered good enough and we could perhaps discuss with the Council on how it can be improved. It was agreed to continue this discussion when both Ian Hollingsworth and Paul Stannard are present. (This is an item for discussion on 14 June if both Ian Hollingsworth and Paul Stannard are present).

The possibility of organising a picnic at Low Wells in August will be discussed at the meeting on 14 June.
